

MVHS PE Attire

Purchasing P.E. uniforms is not a requirement for students. However, for students and families who are interested, the clothing options listed below would be appropriate for P.E. attire, and are available for purchase.

MVHS P.E. attire can be purchased in several ways:

1. Pay for attire during registration and present the receipt on the first few days of class.

OR

2. Pay the teacher during class.

All purchases are done through the PE Department, and orders are done throughout the year, so supply will never run out.
